

Pear Tree Industrial Estate
Bath Road
Upper Langford
Bristol BS40 5DJ T: 01934 852 888

From the North (M4/M5)

From junction 21 of the M5, take the first exit off the junction roundabout signed (A370) to Bristol/Congresbury.

At Congresbury turn right at a set of traffic lights located on a tight left hand bend. Follow signs for Langford, Churchill and Cheddar (B3133).

Follow B3133 (watch those bends!) passing a mushroom farm (right) and the University Veterinary College (left). At a mini roundabout turn right and within 100 yards you will arrive at the A38, next to ESSO Garage.

Turn right onto A38, signed Bridgwater and Taunton and follow for 1 mile to a set of traffic lights (Churchill) where A38 intersects the A368 Bath to Weston-super-Mare road.

Turn left (A368), following signs for Bath. 1 mile on the left is the entrance to Pear Tree Industrial Estate, adjacent to the NWF garage.

We are here

From the South (M5)

At M5 junction 22, follow exit slip to a roundabout. Turn right at the roundabout signed A38, Weston-super-Mare and Cheddar.

Follow A38 for about 12 miles until you encounter a set of traffic lights (Churchill) where A38 intersects the A368 Bath to Weston-super-Mare road.

Turn right (A368), following signs for Bath. 1 mile on the left is the entrance to Pear Tree Industrial Estate, adjacent to the NWF garage.

From the South (Hants/Dorset/Wilts)

Navigate a route Frome (Somerset) from Salisbury or Andover.

From Frome follow A362 through both Radstock and Midsomer Norton.

At Farrington Gurney, where A362 meets the A37, turn left. Within a mile the A37 branches off towards Shepton Mallet, but you need to carry straight on following the A39 (signed Glastonbury).

At Chewton Mendip, turn right onto the B3114, and follow the road to where it meets the A368 at West Harptree.

Turn left onto A368 and follow for 7 miles. Watch out for the NWF garage on the right. Pear Tree Industrial Estate is on the right immediately after the garage.
